Seek To Unite Potato Growers Of S. Alberta

LETHBRIDGE, Alta. — Concerned with the plight of the Japanese potato growers of Southern Alberta, the Alberta JCCA, at its seventh Council Meeting, held here on Feb. 25, acting upon the recommendation of the Lethbridge North JCCA Chapter, unanimously decided to attempt to bring them together.

Malcolm Fukami, president of the Lethbridge North local, stated: "The social welfare of the Japanese Canadians of Alberta depends primarily on their economic welfare. The economic plight of the potato growers must be alleviated. The Alberta JCCA must take action now."

The Alberta JCCA Council appointed a committee headed by Mr. Fukami to sponsor a meeting of all Japanese Canadian potato growers in Southern Alberta. It is hoped by the Council that a nucleus of a potato growers' association will materialize from this meeting.

Difficulties for the potato growers came to a head last year when as a result of over-production and the lack of a cooperative body left the farmers at the mercy of the marketing groups. Thus the bumper crop, rather than being a boon became a liability to the producers, as they were forced to sell at lower prices.

An association of growers, it is seen, would tend to control these two problems, oversupply and price levels, and guarantee the farmers a healthier price for their produce.

it might as well be spring . . .

Of ships and seals and sealing wax,
Of cabbages and kings,
Of trumpet, tram and tenor sax,
Of Doris Day and how she sings,
Of chopping block and the boss' axe,
Of spagetti, salami, and chicken wings,
Of guys and dolls, and night and day,
—pay little heed to what I say.

This little bit of nonsense is written with apologies to Lewis Carrol, who, I think, penned the first two immortal lines in his fabulous Alice In Wonderland, and also to the Nisei girl who wrote to me and said, "Ogden Nash need lose no sleep", in reference to a spot of "poetry" I had dashed off a few columns back. It rhymes, anyways.

But with the sun shining valiantly through the dirty window and the temperature very springlike, thoughts of gentle passion and bits of poetry however alien they are in a newspaper office and my cynical mind, run amok. It's not spring yet, but heck, it might as well be spring. Nick the linotype operator who sometimes sets this stuff may not think so but I'll buy him a beer tonight to change his mind.

Right about now, the sun is also shining gently on Spadina Avenue just outside our office. I think one of my friends who is of Jewish origin, put it fairly accurately when he said that Spadina Avenue will always touch something sentimental in his heart no matter where he goes. Whenever I walk with him up the street, it's just like homecoming day or something with all the greetings being tossed back and forth.

Up Spadina, near College Street, it's like a page torn right out of Damon Runyan. Besides the grill where they serve the best salami and eggs in Toronto, you can find all the guys and dolls, the bookies and the sharpies, the intellectuals and the parlour pinks who inhabit this lively and sometimes boisterous segment of this Jewish Bagdhad on the Avenue. And if you really want a whiff of old Bagdhad, a couple of blocks down the street is an open-air market where they sell everything from back-scratchers to pomegranate skins. I know. I was almost weaned on the cucumbers and the apples we used to buy there.

Comes the thought of an early spring and everywhere everybody gets the buoyant feeling that life holds something new, fresh and mysterious. Skirts are lifted a little higher, as it were, and the blood races a little faster and hotter. Even the hobo who sleeps in the railway box-cars at the foot of Spadina gets this feeling, shortlived though it may

Supports Appeal to Ship Wheat to Assist India

LETHBRIDGE, Alta. — The Alberta JCCA Council recently endorsed the request of the Students' Christian Movement of the University of Alberta to support the appeal to the federal government to ship wheat to India as an outright gift to assist the hunger-stricken people of that country.

Is First Japanese American Navy Flier

ALAMEDA, Calif. — Joe Akagi, 21, a pilot in Fighter Squadron 194, based at Alameda Naval Station, on Feb. 24 became the first Japanese American to be commissioned as a U.S. Navy flying officer.

Akagi of Sheldon, Texas, was one of the first Nisei approved for the Navy flight training. He joined the Navy in Feb., 1949, and was appointed a midshipman in Oct., 1950. He attended Texas A & M, and received his flight training at Pensacola, Fla. Commissioning completes six months of training with fleet units as a midshipman.

Elected Unanimously As Senate President

HONOLULU, T. H. — Republican Senator Wilfred C. Tsukiyama, Honolulu attorney, was elected president of the Territorial Senate for his second successive term. His election was unanimous with all 15 senators approving.

In addition to Tsukiyama, Sen. Tom. T. Okino, Republican, and Sen. Toshio Ansai, are the other Niseis.

In the House of Representatives, nine of 30 members are Nisei of whom six are Republicans. Both senate and house have traditional Republican majorities.

Co-Operative Committee Painting By Issei Artist At Conference Banquet

MONTREAL — When the National JCCA pays tribute to the members of the Co-Operative Committee on Japanese with a Conference Testimonial Banquet at the Fourth National JCCA Conference in Montreal, they will, at the same time, receive a special painting, the work of a well-known Issei artist, Fred Densaku Kondo. The painting is on a large canvas, some three feet by four feet and depicts the artist's interpretation of the evacuation.

The painting is a result of many years of thought and effort by Mr. Kondo. He had discarded two other attempts on putting the evacuation down on canvas before his present work to which he is now adding the finishing touches.

The National JCCA will also present honorary membership in the organization to these members of the Co-Operative Committee and will give each, a special JCCA gold membership pin.

This will be the way the National JCCA in behalf of all Japanese Canadians, will honor the Toronto Co-Operative Committee Executives for the great services they have rendered unselfishly during the past seven years. Outstanding in the work which the Committee has done, it will be recalled, is the great nation-wide campaign, together with strong representation and legal action which the committee undertook in combatting the Federal Deportation orders which threatened the deportation of 10,000 Japanese Canadians. The Committee was instrumental in compelling the government to revoke this order.

The tremendous work which the Committee undertook on the claims issue covering evacuation property losses is another notable achievement among other important services the Committee rendered to Japanese Canadians since its inception.

The Testimonial Banquet is to be held at the Berkley Hotel, Montreal, on Sunday, March 25. It is expected that the Conference Banquet Committee of Quebec JCCA will be able to obtain a prominent citizen of Montreal as the guest speaker representing the city.

In addition, local chapter leaders and workers of the JCCA organization throughout Canada will be paid tribute at the Testimonial Banquet ceremonies. It is expected that the respective local chapters will plan their own local ceremony honoring their outstanding JCCA local workers with a presentation of JCCA gold pins.

Ted Aoki to Attend National Conference As Alta. Delegate

LETHBRIDGE, Alta. — Ted Aoki, president of the Alberta JCCA, accepted the Alberta JCCA Council's request to attend the National JCCA Conference in Montreal as its official delegate. So far no other delegate has been named.

The Council will brief Mr. Aoki on the various phases of the work of the JCCA.

It is expected that he will fly to Montreal in time for the first sessions.

Ask Retraction Of False Issei Disloyalty Story

CHICAGO — The JACL is requesting Paul Harvey, ABC news commentator, to retract publicly his statement made during a broadcast on Feb. 11, 1951, that alien Japanese guided enemy attack planes to their targets in Pearl Harbor on Dec. 7, 1941.

Dr. Randolph Sakada, JACL president, reported that Mr. Harvey in his broadcast stated that when in Hawaii in 1941, he had been concerned about the "lack" of security measures, and in particular the "freedom afforded non-citizen Japanese." Later he said he learned that some of these aliens "used short-wave transmitters in their garages to guide attack planes to their targets on that fateful day of Dec. 7 when America was struck from behind."

Dr. Sakata in a letter pointed out to the commentator that his sources of information were "highly questionable" inasmuch as the FBI, the War Department and the Assistant Chief of Staff for Military Intelligence in Hawaii have flatly stated that there was no sabotage committed prior, during or after Pearl Harbor. Then Dr. Sakada referred to statements made by specific military and government officials all of whom categorically denied the existence of any sabotage in Hawaii at any time.

Dr. Sakada stated that although Mr. Harvey may have been unaware of this information, discretion should have dictated a more careful check of his material.

"Certainly, the record of the 442nd Regimental Combat Team gives the lie to that charge," said Dr. Sakada. "This unit composed solely of persons of Japanese ancestry has the distinction of being the most decorated infantry unit in the history of the United States Army."

Dr. Sakada suggested that a public retraction and apology were in order.

Nisei Comes Up With 450-Game

The bowler's dream, a perfect 450 game was realized by Tak Nishino last week-end. Bowling in a friendly game with about six other Niseis at at the Spadina Bowling Academy, Nishino, who is currently the best Nisei bowler in Toronto, knocked off 12 consecutive strikes.

If it had been an official league game, he would have received a cash award.

So far as is known, this is only the second 450 game to be rolled by a Nisei. Rosie Okada of Montreal pulled off a similar feat, several years ago.

Nobel Winner Donated Most of Prize Money

NEW YORK — Dr. Hideki Yukawa, winner of the 1949 Nobel Prize in physics, revealed recently on the "Tex and Jinx" television show in New York City that he has given away nearly all of the Nobel Prize money to universities in Osaka and Kyoto where he once taught.

Prof. Yukawa, who played second base on his college varsity team, kept out just enough money to buy baseball equipment for his two sons, 15 and 17 who are attending high school in the Bronx. The Nobel Prize award is worth approximately $30,000.

Prof. Yukawa, now teaching at Columbia University, recently announced his decision to take up permanent residence in the United States.

PLENTY OF LIFE HERE

The Alberta JCCA judging by its stream of reports is maintaining an insatiable and healthy quest for new endeavors. Moreover it has a sound public relations policy that keeps its members and supporters well abreast of what it is doing.

This week it held its first provincial oratorical contest. It is assisting the Buddhists in Quebec in their appeal for legal recognition. A "Milk for Japanese Children" drive has been instituted. "Operation Coaldale" is an earnest attempt to revive its lagging member chapter. Now it is bringing together the potato growers of southern Alberta to form a protective and beneficial association.

By undertaking a series of projects on a wide field of activities, it has become a stimulating and lively organization deserving of special mention. The Alberta JCCA warrants continuation, as well as public support and confidence.

THOSE PEARL HARBOR LIES

Wild charges made last month by an American network news commentator, despite unchallengeable facts to the contrary, that alien Japanese in Hawaii had aided the enemy during the Pearl Harbor attack serve as a reminder that even today we cannot altogether escape potshots on our integrity and loyalty. During the war, particularly in the grim days of the Pacific phase, deliberate falsehoods and distorted half-truths were conjured up and disseminated to hoodwink the alarmed public into clamoring for our containment and removal. That spread by the American Broadcasting Company commentator Paul Harvey about the Hawaiian Japanese has no more shred of truth than those of which we were wrongly accused.

There are some irresponsible men in the public eye without a twinge of compunction or a sense of moral responsibility who do not hesitate to discredit individuals or groups with slanderous utterings. More unfortunately here are those who heed the vicious seathings of a mind and mouth warped in venomous prejudice. It is here that malicious words if allowed to remain unchecked to create doubt and misgivings can result in damaging outcomes.

It is not beyond reason that there may be attempts to brand us similarly with poisoned outbursts for a desired purpose or effect. We should be alert and ready to confront and disprove any damaging misrepresentations or false charges should they be levelled against us.

by. He gets the feeling of renewed hope and an attempt to start life again, a spark that dies almost as soon as it flickers.

The Nisei worker, who has waxed to about 400 strong in this Spadina garment centre may remember other springs when things didn't look as rosy as of now. When they walk up the avenue now with the early spring sun caressing their backs, they can remember the time when they walked to work for 30 cents an hour. If they want to remember that is.

I don't know about myself. I get to feeling lazier and lazier and I begin to fall in love with every mysterious looking girl on the street.

I guess right now is as good a time as any to go for that beer with the linotype operator. The heck with this spring business. It's two weeks away yet. It can wait.

Plans For Tomorrow

Like a good family circle who meet together to discuss mutual problems, the JCCA organization hold provincial and national conferences. Regular JCCA conferences are good for the organization. Through the process of discussions by the representative delegates, the JCCA learn how to improve the organization, and to render greater service to Japanese Canadians.

The coming National Conference is a meeting of the family of the JCCA. The deliberations of this conference will reflect the present day thinking of the Nisei and Issei who are keenly conscious of the Japanese Canadians future community responsibilities. Much like a good family, the JCCA must teach it's younger members how to contribute to the welfare of the total community group.

The JCCA throughout Canada has an important community function in providing the oportunity to the younger generation to work in the organization where they are able to learn some of the fundamental principles of self-help and self-government. This is the kind of leadership training which will help the younger generation.

The National Conference will terminate the efforts of a year's planning by the leaders of the JCCA throughout Canada who have carried out a tremendous amount of research work on the important question of the future of the JCCA and the Japanese Canadians.

The members of the executive of the Quebec host chapter are presently devoting every available minute of their time to carrying out the planning of the JCCA Conference and International Basketball Tournament. The tremendous effort which is being put into this work is a heartening example of the realization of Japanese Canadians to the importance of ensuring the continuation of the work of the JCCA in its fields of endeavour.

Want an Enumerating Job?

Come June, between 18,000 and 19,000 enumerators will start a house-to-house or a farm-to-farm survey that will cover every inch of Canada and every individual from lonely trading posts to the teeming cities. That means the government, through the Dominion Bureau of Statistics will take on that many temporary workers to compile the 1951 census. This will be an opportunity for Nisei university students to earn money while doing what can be interesting work.

For those whose education will eventually take them into work that requires meeting people, this would be ideal training and experience. They can profit by meeting and questioning total strangers as the questionnaires will require them to do.

Enumerators will be hired during March and April by the Census Commissioner in each electoral district. Commissioners oversee the census taking in their electoral district and information as to whom their commissioner is can be obtained locally or by writing to the Dominion Bureau of Statistics.

The work of canvassing is considerable and, especially in rural areas, calls for good physical condition. In addition, rural enumerators should have cars.

All enumerators will take special training and must be the kind of people who are receptive to a fairly heavy program of instruction administered in a course taking three or four days. They must be reliable, particularly since the absolute secrecy of the information given them is one of the requirements of the law. Finally they must be available for full time work, for the census is to operate on a carefully worked-out time schedule.

The training will cover all aspects of the census, including map reading to make sure that all the territory assigned to him will be covered, marking the document that is to be used with the special pen and ink provided, the definitions of all the census questions so that he will accept only clear-cut answers. After being trained, the enumerators will be given practice enumeration problems. They will be paid for the time they spend in being trained.

Enumerators will work on piece-rate basis, that is, their payment depends on the number of persons they enumerate or the number of schedules they complete.

Earnings will depend upon the size and type of his territory and upon the speed which he completes his work. An energetic census taker can earn from $8 to $10 a day, it is claimed.

Each sub-district to be covered by the enumerator contains between 600 and 1500 people. There will be a document to be completed for each person in Canada. The total number of questions on it is 29, but not all questions will be asked of all people.

That is the job to be done in June.

The Limit Is 200

To enjoy an old-fashioned shibai, one must be equipped with three essentials, a lunch, cushion and fortitude. Forget one, and you'll suffer.

Otherwise we've reached the atomic age or "speedo jidai" but the shibai still stumbles along behind the horse and buggy and the man who clouts two sticks together.

The recent performance here lasted more than seven hours while those who stayed home waited in vain for supper. That's three times the length of an average theatrical performance. And the solid antique furniture, washroom queues, and wailing babies.

But what takes the cake, or rather, the vinegared-rice balls, are the refreshments that pour out of shopping bags. They're loaded like grubstaked prospectors, and while the show goes on so does a box of Mrs. Tanaka's special fish-cakes, up and down the aisle.

We're not against concerts or shibais, let's have more. They're a source of comfort and enjoyment to the Issei who forget about everything else as they watch the histrionic capers. But theatricals and box lunches just don't mix, especially to the outsider. Watch someone else and see for yourself.

Shibais or engeikais should be theatrical entertainment, not indoor picnics.

Letters To The Editor

Editor, The New Canadian:

The boys at the "Y" who sponsored the recent YMCA-YWCA benefit dance would like to extend a word of thanks to the Nisei community for the wonderful support it gave us in our effort.

All of us, directly or indirectly have in the past years derived benefit and comfort through the broadminded and unbiased policies of the YMCA. Its doors have always been open to the Nisei and to those of us who have been its members for many years, the Y has been both a haven and a home.

At the present time, the YMCA's across the nation are conducting a "Build for Youth" campaign. It was for the benefit of this drive that the dance enabled us to contribute in some measure to the development of a very worthy organization.

Insofar as we are not a "duly constituted body," but a group of Y volunteers, we thought it advisable that a financial statement be published in your paper. Herewith is the statement:

Receipts:	
Gate receipt	$237.75
Checking	13.00
Refreshment Sale	7.00
Donation	5.00
Total	262.75
Expenses:	
Advt., Tickets etc.	$13.05
Refresh. prizes, etc.	16.33
P. A. system	20.00
Janitors	7.00
Total expense	58.38
Net Balance	204.37
	262.75

The net, $204.37, was donated to the "Build for Youth" fund.

To those readers who have as yet no direct contact with the YMCA or YWCA, we would like to extend an invitation to visit any of the Y branches in the city. Any one of them can offer a wealth of activities not only in athletics, but in social and educational fields as well.

Come and see what the Y can offer you.

ビーシー州 エス子

昨年の春、七十才を少しこしたばかりの金持のおばあさんでミセス・キャンボーという方がアメリカから當地に住んでいる娘さんのところへ半年ばかりハラデーに來ていました。その人は若いころビーシー州に住んでいたことがあつて何十年も會わなかつた昔の友達に會つた話などをよく聞かしてくれた。

自動車を自らドライヴして方々へ遊びに行くし、身なりのスタイルもよく、スマートに着こなしているところを見ると、まだ六十にはなつていないとしか見えなかつた。そして言葉使いから、そぶりなどなんとも言われぬやさしみのあふれた人であつた。

お客のなかには、仕事を持つて來てあげるのだという人も多いなかに、この人だけは「忙しいあなたに、よそから來た者が仕事を持つてきて迷惑ですね」と謙遜さであつたので、夜も寢ないで働いて縫いあげたい氣持にもなるのでした。

その人は私の子供にもとてもやさしく、その人の曾孫が年上の私の子供と同じ年だということを知りました。そうするうちに半年の月日も流れて、その人は雪の降らないうちに歸りたいとのことで、お互に別れの淋しさを感じておりました。

「いろいろ縫物をして頂いてありがたう。あなたが近くにいられるとどんなにうれしいかわからない。けど致し方もない、どうか身体に氣をつけて下さい」

と握手をされ、靜かに口唇を私の顔によせてくるのを私は自然な氣持で受けいれたのでした。形容できない感傷的な心持ちになるのをおさえて「また、お會いする事もあるかも知れません」

と答えると「オーイエス・シュアー」とやさしく微笑んだその人をドアまで見送つてさようならしました。

別れのキッスはその白婦人にすれば當然のことかもしれないが、日本人の私には全く思いもよらぬ事ではあつたが、それを素直な心根でうけいれた自分を、むしろふしぎと思うくらいの親しみを感じていたに違いない。

「ママ、白人のグランマーとキッスしたの?」

八才になる女の子が首をすぼめて笑うので、一緒になつて笑つてしまつた。これは忘れられない微笑しい思い出となるでしょう。

こんな仕事をしているといろいろと人に接する機會も多くなるのだが、好感のもてる人もいやな感じの人もあるしドレスについてむつかしいことをいう人もあるが、できるだけ氣に入るよう心掛けてあげようという氣持ちになれる人もある。

ともかく世の中のことは、ある程度まで自分の力で解決がつくのではなかろうか、そういう私も不幸であつた結婚にたえる氣力を失い、自分の力ではどうにもならない事をさとり、世間の人々からいろいろの批評をあびながらも、これからの半生を裁縫を生活の糧として強く生きていきたいと心底から願う氣持で一ぱいです。

弱い女、内氣な娘でしかなかつた自分が、一つつまづいてこんなにも強く生きられようとは若い頃は想像もつかなかつた事であつた、嵐去つた後の靜けさというような今の氣持を一生忘れずに暮したいと思つている。

『幸福の鎖』を切れ

コラム＝投稿歡迎

「幸福の鎖」と稱する手紙を私も受け取つて、大いに迷惑している。恐らく私の友人は善意からこれをよこされたのではあろうが、私はこれを素直に受取ることが出來ないのだ。大体こんなもので幸福がもたらされるであろうか？餘りにも漠然として雲をつかむようで、考えてみるだけでもバカらしい。この幸福の鎖に附記してある通りに、次々と送る人もないであろうが、若しあるとすれば、一ケ月後二ケ月後には鼠算用の等比級數でどんな數字になるか、常識のある人であれば解ることと思う。一個人の消費や冗費は微々たるものであつても、次々に人々が嵩むる冗費を合算すれば莫大なものとなる。斯く考え、こう信じて、知人よりの異情に背き、この幸福の鎖の手紙を葬むることにした(ウイニペッグ・エス生)

◇

私の宗教眞宗では、幸不幸は三世の因果によつて決定している事であつて見れば、飛んでもない人よりの無意味な手紙によつて左右せられるものでもないと思う。それで「幸福の鎖」という手紙十數通を受取つたが、みな捨ててしまい、「幸福」は私がキープしておくことにした。

この手紙を取次ぐのは迷信が手傳つてのことで、意味は薄弱だと思う。何も社會の爲にもならず自分の爲にもならぬ、郵便局に手數をかける位が關の山で、こんなことをする人は佛の教えでは惡人と申します。(テーベー、藤永權平)

●記者註――これと同じような投書は他にも來て居り、こんなバカらしい手紙を貰つて迷惑している人がどれだけあるか知れない。右の筆者が言うように、常識を働らかして斷絶するがよいであろう

アルバータ州の日系人に寄せる

雜録 梅月生

南部アルバータ州の連絡委員會は、損害賠償要求問題の完了とともに、その責任を果たしていよいよ解散することになつた。ビーツ勞働者として南部アルバータに移動した三千五百の日系人の代辯機關として組織された連絡委員會の人々が、一九四二年冬以來殊にも初期のこんとんたる情勢の中にあつて日夜奮闘してきた過去を顧みるとき、有らゆる辛苦をなめて今日の落着きを得るまでに努力を重ねてきた人々すべてとともに感慨無量なるものがあるであろう。同じことはマニトバ州その他に移動した人々に對しても言い得ることである。

ビーツ働きとして家族と共に移つて來た人々には生活の保証はなかつた。雇主たるビーツ耕作農家は、移動者家族を「農業奴隷」とでも得たかの如くに扱かおうとした。移動者は連絡委員會によつて團結し生活の保證と改善を得るために最低賃金やビーツ勞働賃金の増加を要求して、これを勝ち得た。

アルバータ州政府も、移動者の居住地域の市町村も、日系人を、一時的の移入者として待遇しようとした。子女の教育に關してすら、日系ハイ校生から月謝を徴收した。南部アルバータの中心地たるレスブリッヂ市では、移動日系人の市内在住に反對した。更にアルバータ州政府は、戰爭終結とともに、移動日系人は戰時中だけ居住を許したのであると稱して日系人の退去を要求するの態度に出た。

勤勉なる日系人は、あらゆる困苦に打ちかつて、漸次生活の基礎をかためるとともに一般社會の信用を博し、たえざる戰いを續けることによつて、これらの差別取扱いや制束を排除して、アルバータ州を定住の地とすることに成功し、更に權利擁護運動を展開したのである。

かくて、移動當初に組織された連絡委員會は、賠償問題の完了を機會に解散することになつたのである。この間に多少の經緯はあつたようであるが、アルバータの日系人も一世の時代から二世の時代への推移を、曲折のうちに(それは當然なことであろうが)とげて今やアルバータ市協のもとに一世、二世協力の前進運動を展開するに到つた。最近目ざましい活動をなしているアルバータの市協(州及びローカル)とともに、私たちは敬意と賀意を表したい。そして彼等が一層健康なる歩みを進めることを切望したい。

米、締結準備を整う
日本ふくむ五島國
太平洋防衛協定へ

【ワシントン發】米國は太平洋における限られた區域の防衛協定を結ぶ準備を整えた、右の協定が締結されたのち對日平和條約の調印がこれに續くものとワシントンの消息筋では傳えている、この太平洋防衛協定は日本、フィリッピン、オーストラリア、ニュージーランドおよび米國を含むもので香港、マライ、インドシナ、タイなどの大陸地は含まれておらず、太平洋上の島國だけの防衛協定と限られている

(一)この協定國は日本平和條約に署名するという條件になつており、日米相互協定によつて日本防衛のため米軍の駐日權限が確保されることになる

(二)米國はフィリッピンを防衛するという協定をハッキリ示すものである

(三)米國はオーストラリアとニュージーランドの獨立と防備を保障するとは明言しないが第二大戰で證據立てられたように兩國は米國の安全保障にとつて重要だと考慮している

(四)朝鮮戰爭が満足に解決し將來も平和的になるまでは米海軍はいつまでも台灣を中立化し續ける保證をする

以上で見る如く太平洋協定は、日本、比島、濠洲、新西蘭および台灣等の太平洋上の島國の軍事的保證を米國が與えることである

ソ連國連脫退仄す

【ロンドン發】ソ連支持の世界平和會議は四日ソ連は國連を脫退し世界平和會議を眞實の世界機關と宣言するであろうというソ連機關紙プラウダの社說がモスクワから放送された、國連は米國の道具であつてこのまま行けば國際連盟と同樣の運命に陷いるであろうと述べたのであるが、これはパリーで五日より開催された四國外務次官會議にさきだちソ連の要求をいれないと國連を脫退するぞという外交的威嚇だと見るむきもある

朝鮮參戰は間違い
輿論調査 米國民の半數回答

【プリンストン發】ギャロップ輿論調査が五日發表したところによると、米國の軍隊增派をふくむ歐洲援助は一般米國民に好評をうけているが、東洋における米國の政策には疑いを抱くばかりか却つて反抗的態度を示す者が多くなつてきている。米國民が中共が參戰して以來の對東洋に關する態度變更は最近行われた輿論調査によつてハッキリ示されている

△質問 あなたは米國が朝鮮戰爭に入つたのは間違いと思うかどうか

これに對し一九五〇年八月の調査でミステーキだと答えた者が二〇パーセント、今年の一月では四九パーセント、今回の調査では五〇パーセントにふえてきており、ミステーキでないと回答した者は昨年八月の六五パーセントが一月には三八パーセント、現在では一一パーセントに減つてきている。この統計で面白い點は昨年八月、米軍が朝鮮で苦戰し、釜山半形陣でやつと喰い止めていた當時に於て米國の參戰はミステーキでないと回答した者が多かつたのに、現在、戰局は米軍にとつて有利にも拘らず、米國の干涉にミステーキだと疑いを持ち、ミステーキだと考えるようになつてきた者が急にふえてきたことである

船員だけは送還の中共不法捕獲

【東京發】東支那海に出漁中の日本漁船が中共側官憲に捕えられる事件が續發しているので日本遠洋底引網漁業協會では參院水產委員會に對し「中共による漁船不法捕獲防止」に關する陳情を先月末に提出した、この陳情によると一月中旬までに八隻の漁船が中共艦艇(百トンから二百トン)又は武裝ジャンク數隻によつて包圍され捕えられており、戰後中國あるいは朝鮮等で捕えられた漁船は七六隻、このうち五三隻はまだ返還されていない、これらの船は砲艇等に改裝され海上警備等に使用されているらしい、中共側ではマッカーサー・ラインはマッカーサーと蔣介石が取決めたのだから關知しない、乘組員は送還するが船は資本家のものだから沒收する東支那海は中國の領海だから漁船監視艇にかかわらず捕えるといつている、これは國際法規を無視したものであり、東支那海に出漁する漁船や二万の乘組員は極度な不安にさらされているというのである

昔懷しい一九三九年の安樂生活

生活費はますますうなぎ上りに上騰し、一月の生活費指數は一七五・二の最高レコードは主な理由は衣服、肉類、家具類價格の高騰である、一九三九年當時と現在の物價の相違を新聞紙上に現われた廣告によつて示すと次の通り

△一九三九年に一家四人暮しの食料費は週十二弗で結構おいしいものが食べられた、一九五〇年の三月では同じメニューで週十九弗、今月では主婦は二十一弗でやつとまかなうという有樣

△一九三九年當時、一週二弗六五仙で肉類に充てればよかつたのが昨年は六弗六四仙、今日は八弗三三仙という具合

△トマト罐詰が三九年當時一罐六仙、同じものが今日では十三仙、ピーチも昔は一罐一〇仙のが一七仙、コーンも同樣に三罐二五仙のがいまでは二つ二三仙

△野菜も同樣、フルーツも然り、衣類もウール不足で値上り、靴も家具類も七パーセントから一〇パーセントは上るというまさに値上り競爭時代である

Aces Oust WK From Playoffs With Twin Wins, Aki Hayashi Sparks Winners With Top Display

After losing the first game of the semi-finals, 64-58, Aces bounced back to hand the Whizz Kids a double setback, 73-67 and 74-62, and thus advanced into the senior finals in Toronto basketball against the defending champions, the Mustangs.

In the second game of the series, Aces behind some brilliant shooting by Aki Hayashi forged into an early lead and were never headed. The score at half-time stood at 37-32 for Aces.

Early in the second half, Aces increased their lead to a comfortable 16 pt. margin but the Kids paced by hard-working Yuki Kameoka came back in the closing minutes but could not overcome the lead. Aki Hayashi turned in his best performance of the year and scored 32 pts. for the winners followed by Jack Onishi with 13. For WK, Yuki Kameoka and Soc Shintani accounted for 26 and 17 pts. respectively.

REAL THRILLER

The final game of the semi-finals proved to be a real thriller as both teams matched basket for basket throughout most of the contest. The deciding factor in the game was the lack of reserves on the WK bench as both teams playing their second game in as many nights kept up a blistering pace which finally took its toll as the Kids faded in the final stages of the game and fell behind 74-62. At half-time the teams were tied at 34-34.

Aki Hayashi again paced the winners with 22 pts. while Frank Sumi and Tom Miyashita clicked for 13 and 12 respectively. The high scorers for WK were Soc Shintani with 15 pts. and Alan Fujiwara and Aki Koyanagi both with 12 pts.

Both games were handled by T & D referees and fouls were plentiful as both teams checked closely. In the second game, Aces committed 25 fouls as against 16 for the Kids with J. Onishi, F. Sumi and S. Shintani going out of the game on personals. In the final game, 52 personal fouls were called of which Aces were guilty of 23. J. Onishi and Y. Kameoka sat out the final minutes of the game with five fouls.

Second Game

Aces: Hayashi 32, Onishi 13, S. Takata 10, Sumi 9, Miyashita 5, Oda 2, G. Takata 2, Arai — 73.

Whizz Kids: Kameoka 26, Shintani 17, Fukumoto 10, Fujiwara 5, Koyanagi 5, F. Miyasaki 4 — 67.

Third Game

Aces: Hayashi 22, Sumi 13, Miyashita 12, Otsu 10, S. Takata 7, Onishi 6, Oda 2, G. Takata 2, Arai — 74.

Whizz Kids: Shintani 15 Koyanagi 12, Fujiwara 12, Kajioka 8, Kameoka 6, Fukumoto 5, Miyasaki 4 — 62.

Aces who advanced into the finals, could prove to be a thorn in the side of the Mustangs if they continue to play the brand of ball they showed in their last two outings. They will be out to avenge four earlier defeats at the hand of the Mustangs who will be out to protect their unblemished record.

The game could also turn out to be a private duel between Herby Miyasaki, league scoring champ, and Aki Hayashi who scored 79 pts. in the three-game semi-finals.

Finals At UNF

Toronto Casaba fans will get their first chance this year to see the Nisei basketballers in action on a larger floor at the junior and senior finals move to the UNF Gym tonight (March 7). TNT meets Barons in the opener at 7:30 and Mustangs and Aces will take the floor at 8:30.

Dr. Kawabe Back At Work in Japan

In a letter to The New Canadian, Dr. M. Kawabe of Kansai Gakuin University who spent a year at Emmanuel College, University of Toronto, and then toured the United States for several months with his wife, wrote that he returned to Japan on Feb. 21 and is now back at his school.

After more than a year and a half absence from Japan, he found that there were some improvements, particularly in rail communications, but economically, he found that Japan was still far from normal. He returned to find his parents (father 88, mother 79) both in good health and in fine spirits to welcome him home.

Dr. Kawabe expressed a desire to be remembered by those whom he met in Canada and wished to express his appreciation for all the kindness shown him and his wife during their stay in Canada.

Mont'l Ball Team To Show Movies

MONTREAL — The Montreal Nisei Baseball Club is extending an invitation to all sports fans of the community to an evening of movies on Saturday, March 17. Films to be shown will be "The World Series of 1950", "Play Ball, Son", and a film on basketball titled "Basketball Thrills".

Carpenter Hall is the place of the sports movie night. Starting at 7:30 p.m., there will be no admission charge. After the showing of the films, a meeting will be held for all players desirous of trying out for the "Nisei" team which will be entered in the City League again this year.

Added interest has been created in the team with the news that the Nisei will be playing their home games under lights at Lafontaine Park this season. Several new teams have applied for admission to the City League, but at the present time, the exact line-up of teams is not yet known.

This and other details will be made public as soon as they are decided.

TNT Dumps Barons To Open Jr. Final

The powerful TNT team won the first game of the junior finals by trouncing Barons 63-36 in what has turned out to be an all-Toronto playoff.

In the first half, the smaller Barons could do nothing right against their more experienced opponents who scored 16 pts. before they found the basket. Half-time score stood 38-13 for TNT.

After the breather, Barons showed more of their drive which carried them into the finals but still were no match for the league leaders whose complete mastery of both backboards gave them control of the entire game.

The scoring star of the game was Tom Yatabe with 21 pts. while Jim Kamino and Frank Idenouye of TNT garnered 12 and 11 pts. T. Oikawa with 10 pts. and Joe Nekoda with 9 pts. were Barons' main threats. Both teams showed a very poor average from the foul line with Barons sinking only 8 out of 24 attempts while TNT counted 7 out of 2? tries.

TNT: Yatabe 21 Kamino 12, R. Idenouye 11, Fukusaka 7, Tamane 6, M. Idenouye 4, Ogaki 2, Matsumoto. — 63.

Barons: Oikawa 10, Nekoda 9, S. Aoki 5, Adachi 4, Hayakawa 4, B. Aoki 2, Isozaki 2, Morino, Ando. — 36.

Moonlite Score 3,778 Pins For Possible Nisei Record

It was a field day for good scores in the Toronto Major Bowling circuit last Friday with five bowlers turning in 800 scores and another eight in the 700's. The stellar performances were topped by Johnny Takeda's 878, (303-311), the third best three-game score of the season. Others in the select circle were Joe Tehara 855 (370), Tak Nishino 846, Joe Nishizaki 819 (387) and Harry Inouye 812.

Bracketed in the 700's were G. Sato 780, Terry Fujioka 760 (300), T. Mori 744, M. Inoshima 737, E. Nakamura 723 (313), R. Kutsukake 716, G. Ide and M. Sugamori 700.

Joe Nishizaki's 387 was also a new one for the books being the third high single game of the season and only ten points of the highest. M. Matsumoto and A. Muramoto also posted good singles with 323 each.

But there was a bigger record yet for the pages. What is believed to be an all-time Nisei high in three-game bowling was blasted by Moonlite Grill. With Nishino, Nishizaki and Inouye each hitting better than 800, Ide with 713, and Ace Fujibayashi with 588, the team tallied 3,778 pins. It is certainly the league's best to date and almost a sure thing for an all-time record.

In last year's Eastern Canada Nisei Bowling Tournament, the winning team, it is recalled, scattered 3,400 pins.

Team results saw Moonlite, Takeda and Sora take full measure from Danforth, Yamada and Sammy's respectively while Spadina beat Queen City 5-2 as did Best against El Mocambo and O. K. nudged Urabe 4-3.

Johnny Umakoshi Tops Lakehead Trundlers

FORT WILLIAM, Ont. — Johnny Umakoshi (Pin Diggers) took the high three games in the Feb. 25 contests, bowling 665-244. Yuki Tatebe (High Balls) 622-206, Pinky Mitsuki (Worry Warts) 614-235, Ted Koizumi (High Balls) 600-211 were other better games.

Sid Nishimura (Pin Diggers) and Dick Mitsunaga (Worry Warts) rolled 271 and 264 for high singles.

Angie Ichikawa (Worry Warts) 544-205 led the girls in three-game highs. Following her were Sue Mitsunaga (Pin Diggers) 517-196 and Hayami Nishimura (Hopeless) 517-234.

H. Nishimura with her 234 was the bigest single, followed by Kay Mitsunaga (Slow Motion) and Rosa Baba (Last Chance) each with 210.

Vancouver Ball Fans to See Wally Yonamine Now Member of Salem Senators in WIL

Wally Yonamine, fleet-footed outfielder of the Salt Lake City Bees in the Class C Pioneer League where he batted .335 in 124 games, has been promoted by virtue of his being traded to the Class B Salem Senators of the Western International League.

Thus for the first time, a Nisei professional ballplayer with an American team will be performing in Canada this year. He will be playing in Vancouver against the Capilanos who are also in the WIL. That is, provided that he signs and sticks with the team.

In the deal, the Bees received slugging outfielder Bob Cherry who has played for several teams in the WIL including the Victoria Athletics. Owner Eddie Leishman of the Salt Lake City Club, in trading Yonamine, said he wanted to keep the player but did not want to stand in the way of his advancement. Leishman also reported that three other class B clubs wanted Yonamine.

Both Leishman and General Manager Claude Engberg believe that Yonamine will be ready for triple A baseball with the Pacific Coast League by next year.

In his first year in organized baseball in 1950, the ex-pro footballer with the San Francisco 49ers ranked fifth in batting and led all rookies in stolen bases with 26.

An independent club with no major or coast League tie-up, the Salem team is managed by Hugh Luby, former second sacker for the San Francisco Seals who last year managed the New Orleans Pelicans in the Southern Association.

RECIPES

For those who seemed interested in how to make Oriental gastronomical delights, here are two more recipes which should stir the taste buds.

"NIKU DOFU"

A hot dish for chilly days, liked by everyone and easy to cook.

Ingredients:

1 lb. (about 6 slices) sukiyaki meat
1 square, tofu
½ cup nidashi (use water and ajinomoto)
½ cup shoyu
2 tablespoons sugar
1 stalk green onion

Slice the meat crosswise in three or four portions. Slice tofu in three, then crosswise in two. Leave tofu to drain. Brown the meat lightly and keep aside in separate container. Cook tofu in pan used to brown meat about 10 minutes with nidashi, shoyu and sugar. Add meat and green onion cut in ½ inch pieces.

Make five servings.

CHINESE FRIED RICE

Fry ½ cup of cooked, diced ham, four cups of dry-cooked rice and one large, finely-chopped onion in a hot pan with a little fat or oil. Add one-half cup of diced mushrooms and one cup fresh cooked shrimps.

Fry until rice is nice and dry. Then add three well-beaten eggs and ½ head of shredded lettuce. Season with soy bean sauce, pepper and salt. Salt the mixture well and fry for five minutes. Serve hot.
